It's 5 o'clock in the morning
 And you calling
 And these females got me stalling
 I can hear your voice in my head like
 "What is he doing?" oh what is he doing?
 Cause I keep checking my cell phone
 And these missed calls
 You texting me like I'mma kill y'all
 If you don't get your ass up out of that club
 And you do know what time it is

(It's 5 o'clock in the morning)
 On my bed, girl
 And this Nuvo got me trippin
 And I know that you mad, girl
 But you ain't got to worry about nothing
 Girl I got you, girl I got you
 She might come and find me, and then ask me kindly
 Do I want her to go crazy
 We do this every night and then
 We always wake up singing the same song

You ain't got nothing on
 But the t-shirt that I left over your house
 The last time I came and put it on ya
 Too many thirsty girls up in this club for me to
 Leave here with one of them
 That's why I call her
 And you'll be right at home waiting for me
 Iphone plugged in the wall, just waiting for me
 Club closed at 6, left around 4:30
 Yeah so by the time I'm at your crib..
 (It's 5 o'clock in the morning)
 And you yawning, but I've been
 Drinking all night and I feel like performing
 With you in the bedroom
 Flooring to the dresser
 Don't want nothing less cause I'm sure you're the best
 You're the one, So I let you
 That's how you show me love
 And when we finish you like
 "damn, babe you woke me up"
 I like you way you put it down likes its for both of us
 The sun ain't the only thing that's coming up
